

LEATHER NEW™

SELF-POLISHING CLEANER FOR ALL LEATHER TACK, BOOTS, SADDLES, UPHOLSTERY OR ANY LEATHER PRODUCT NEEDING RESTORATION.

PRESENTATION: Clear to light brown liquid.

PROPERTIES: FARNAM® LEATHER NEW™ cleans, softens and shines all leather like new. A self polishing cleaner, it dries with a lasting shine and won't darken or discolour most types of leather. LEATHER NEW™ penetrates to restore condition and suppleness to the hide.

For use with SADDLES, BRIDLES, HARNESS, AND OTHER TACK, BOOTS, UPHOLSTERY OR ANY LEATHER PRODUCT NEEDING RESTORATION.

LEATHER NEW™ may also be used on wet leather to prevent stiffening or on stiff leather to soften.

DIRECTIONS FOR USE: May irritate the eyes. Avoid contact and protect eyes while using. If splashed in eyes, wash out immediately with a large quantity of water.

Remove any dirt from leather using a soft brush. Simply spray LEATHER NEW™ onto all leather parts. Do not allow LEATHER NEW™ to run, rub in with a soft cloth and allow to dry. Repeat as required.
