PROPERTIES: LIVAMOL® FEED OPTIMISER™ PELLETS have been specifically formulated to be used with Livamol, Australia's Leading Coat Conditioner, for addition to all types of horse feeds including growing, breeding, spelling and performance horses.

Ingredients include protein and oilseed meals, fish oil, added vitamins, minerals, amino acids, anti-oxidants, molasses and PRO(N8)URE® which combines 3 essential elements: dual strain probiotic, a prebiotic and multi-strain enzyme forming a natural microflora management tool for improved digestion resulting in better performance and good health.

LIVAMOL® FEED OPTIMISER™ PELLETS have been formulated:

- 1- To make it easy for horse owners to make up their own feeds.
- 2- For use with Livamol, Australia's Leading Coat Conditioner.
- 3- To give horse owners flexibility to customise feeds, for individual horses when necessary.

DOSAGE AND ADMINISTRATION: LIVAMOL® FEED OPTIMISER™ PELLETS should be mixed with feed as follows:
